## Here's what our students are saying

"No background required. If you're up for a challenge and willing to put in the work, you will get through this and feel so proud of yourself." -

**Ashley Patton**

"If you come with an attitude to work hard, you will succeed. As a veteran with a background in logistics, Claim Academy enabled me to transfer my military skills to civilian life." - **Colburn Sanders**

"Learning a skill that will be in demand for years to come is a challenge, but it's completely worth it to know I will have career options and won't have to claim unemployment ever again." - **Marcus Wells**
